

# FAMILY WORK HOUR REQUIREMENTS

## 2013-2014 Season

Each Family is required to complete 30 hours of service work to the association. There are several ways for you to do this. Please don't feel that because you get 30 your hours in you need to stop. **THERE ARE NO EXEMPT FAMILIES!!!**

Everyone must complete these hours, and at least 5 of them must be committed to the concession stand. Each returning family must write a check post dated for 4/1/11 at the time of registration in the amount of \$300.00. At the end of the year once hours are tabulated, your check will be returned or destroyed. **New Families**, You are asked to complete 15 hours of service work to the association.

**WE ALWAYS NEED HELP!!!**

### **REQUIRMENT A:**

You must sign up, and work at either the FALL CLEAN UP, or the SPRING CLEAN UP. Watch for notifications of these dates.

### **REQUIRMENT B:**

You must work in the concession stand during at least on High School game. Watch the board for sign up schedule.

### **REQUIRMENT C:**

During those weeks, the team designated to clean must be responsible for the concession stand during figure skating if it is going on, admissions, and concessions for Open Skate, and the general cleaning of the rink for that week. Again, watch the board to see whose week it is. (Figure skating does not usually start until some time in December.) This is not an option, and must be done for your team.

### **REQUIRMENT D:**

Along with the completion of requirements A-C, - Each family must work at home games. Whether that is concessions, cleaning, score keeping, penalty box, zamboni, ect you must work help to make it work. Again, watch the board for game dates, and work with the other teams to cover each others games. This will help to insure that you can watch your own child (children) skate. This also counts for the 8 & under program.
